

**Exhibitor Registration Form**  
**Agricultural Technology Field Day 2004**  
**August 10, 2004 at the East Crawford Recreation Area**  
**Salina, KS**

K-State Research and Extension, the Kansas Agricultural Research Association and several industry representatives have planned an outstanding precision agriculture technology field day for the summer of 2004. The field day will be held on August 10<sup>th</sup> at the East Crawford Recreation Area (old airport) on Markley Rd between Crawford St and Magnolia Rd. There will be three educational tents with programs every hour and sponsors to share their experiences regarding precision agriculture technology. The field day will feature the latest precision agriculture technologies and experts that have developed, evaluated, and used these technologies.
